The deaths of film celebrities are sometimes even more fascinating than their lives. Hollywood visitors and natives are often drawn to sites of tragedy involving the rich, the beautiful, and the notorious. This book can make finding those locations simple. These sixteen driving tours cover over 500 sites relating to celebrity deaths and scandals. Each tour covers a specific area of the world's film capital, from Sunset Strip to Bel Air, giving specific directions to each location on the tour. Sites include famous graves, like Rudolph Valentino's, where the Lady in Black made her annual pilgrimage for thirty years; houses and businesses said to be haunted by those as famous in death as they were in life; locations of famous murders and deaths, from William Desmond Taylor to John Belushi; and scandalous locations like the infamous Francis Brothel. Tips for safe and enjoyable touring are also included, and the tours allow everyone from the mildly curious to the completely morbid to find some of Hollywood's darkest corners.
